BRAMSHOTT AND LIPHOOK NEIGHBORHOOD DEVELOPMENT PLAN

LIBBY BARRETT – HOME
DIRECTOR

Mayflower's vision for Bramshott Grange Care Home

- ❖ Employ local team members
- ❖ Integrate into the local community
- ❖ Provide high quality flexible care services and facilities which serve the local community
- ❖ Responsive to the local needs and demands of the community
- ❖ Work with volunteers in the community
- ❖ Engage with local providers boosting the local economy, such as GP, community teams, Pharmacy, florist, disability services, schools and food services.
- ❖ 67 Residents and team members involvement in local community events and activity
- ❖ Supporting local charities

Mayflower CC plans for Future Development and Engagement

- ❖ GP and community team facilities to support the demographics of the community
- ❖ Work with Voluntary services to support the care home
- ❖ Close relationships with local schools
- ❖ Engagement with local facilities for older people

Providing New Facilities

- ❖ Bus service to the village for residents and team members of both the care home and the village, to enable villagers to access the local facilities
- ❖ Community dial a ride service with wheelchair access

Employment

- ❖ Employ local people into the care home
- ❖ Provide a travel plan for home
- ❖ Incentives for team members who travel to work other than in a car or team members car share
- ❖ Support team members in career development and staff retention
- ❖ Work with volunteers locally

Regeneration and Conservation of area

- ❖ Mayflower cc will support any conservation of local woodlands and areas of outstanding natural beauty in the local area
- ❖ Bramshott Grange conservation of land directly in front of the care home to made good into a field with wild flowers.
